

# School Musicals

## Website news.

*School musicals, you either love them or hate them.*

*At RPCC we take our musicals very seriously. As you all may know this year's chosen musical is Camp Rock, you may have heard of it as a Disney Channel original film.*

*We had lots of students audition and we hope everyone gets a part. The parts will be announced very soon.*

*The musical will take place later this year and lots of hard work will be put into rehearsals and the lead up to the final show.*

*We hope it will be just as successful as previous years and just as many students auditioned, especially year 11 as it is their last year as students at RPCC.*

*We have done many musicals in the past including Hairspray, The Wizard of Oz, High School Musical, Annie, Sweeny Todd, Disco Inferno, Animal Farm, Beauty and the Beast, last year's West Side Story and many more.*

*We have done 12 years of musicals in total and hope to do many more.*

*We interviewed Dominic in year 11 who has taken part in many school musicals and has auditioned for Pirates of Penzance outside of school. He hopes to one day have a career in somewhere like the west end although he knows it is a tough industry to get into. He also mentioned that he loves doing musicals because he likes meeting new people and becoming good friends with new people in such a short amount of time.*

*We also interviewed Mrs Freeman, as she runs all musicals along with the help of Miss Bishop and Mr Barron. She has run the musicals every year since 2004 and is one of the two drama specialists in our school. She loves seeing students get so involved and make new friends and seeing the final product be shown to all the students and parents.*

*GOOD LUCK to everyone who has auditioned and all the best in your musical journey.*
